Get prepared for *Showtime* in August. You might catch a scene or two from *Gone With the Wind* or a favorite movie from the past. The menu will include Turkey Pot Pie, Meat Loaf, and all the trimmings. Tickets will go on sale for the August Birthday Dinner Taco Tuesday, July 10, 2018.

If you are a member with a birthday in August, you will receive an invitation which includes a dinner voucher and a free drink ticket. Tickets can also be purchased for spouse and guests. Please remember that reservations are required, and selected seating comes first.

Looking forward to seeing you at the Birthday Dinners.

Bob Espinosa  
Birthday Dinner Chairman

The Fourth of July—also known as Independence Day or July 4th—has been a federal holiday in the United States since 1941, but the tradition of Independence Day celebrations goes back to the 18th century and the American Revolution. On July 2nd, 1776, the Continental Congress voted in favor of independence, and two days later delegates from the 13 colonies adopted the Declaration of Independence, a historic document drafted by Thomas Jefferson. From 1776 to the present day, July 4th has been celebrated as the birth of American independence, with festivities ranging from fireworks, parades and concerts to more casual family gatherings and barbecues.

*Did You Know?*

*John Adams believed that July 2nd was the correct date on which to celebrate the birth of American independence, and would reportedly turn down invitations to appear at July 4th events in protest. Adams and Thomas Jefferson both died on July 4, 1826—the 50th anniversary of the adoption of the Declaration of Independence.*

### History of the Fourth of July

Did you know New York City has the biggest fireworks display in the United States and that three U.S. presidents died on July 4?

### Remember the Alamo!

On the first of July my wife, Linda, and I will be in San Antonio Texas representing our Lodge at the Elks National Convention that will be held there the 1st through the 4th of July. If we can survive the heat and humidity of Texas in July I will report back on the Grand Lodge activities and transactions in this article next month.

Last month I talked to you about the success of our ritual team at the Northeast District competition that earned us the privilege to represent the Northeast District at the State Competition. Unfortunately, when you are competing against the Top Lodges from sixteen districts across the state the competition is better and the judges stricter in their scoring. I believe we placed 11th of the 16 teams that competed but I prefer to think that we placed 11th of the 168 total Lodges that were represented at the California and Hawaii Elks convention. I'm also very grateful for the way that our team came together and performed and know that we will now be able to initiate new candidates in our Lodge throughout the year.

In other news from the State Convention. I was very proud to walk across the stage on the last day of the convention and present the total donations that the members of our Lodge contributed throughout the past year for the Major Project (or Purple Pig). In total, we raised just over \$17,000 for this cause. With the Elks National Foundation contributing back to the State over one million dollars the total raised last year to help the children walk, talk, see and play exceeded 3.5 million dollars. Thank you all for your generous donations to this cause.

I will take a minute here to talk to you about membership cards and door keys. This time of year, we have asked the greeters at our door to be especially careful in checking membership cards at the door. Why do we do this? Two reasons:

1. We have a liquor license for a private club which means we can only sell to our members and their guests (this is also the reason why we ask you to make sure that you have signed your guests into our guest log each time you bring someone to the Lodge). We must make sure that those that enter our Lodge are members or registered guests in order not to run afoul of the law.

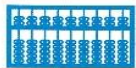

2. With annual membership fees due at the end of March we still have quite a few members that have not paid for the 2018-2019 year. In most cases, we find this is because the billing statement was lost, overlooked, or forgotten; but in fairness to those that have paid on time we are checking to see if your card is up to date.

For members that we have no record of dues being paid, we have turned off the electronic key card. The greeter will usually wait to see if you are able to open the door with your key card and if not will ask to see your membership card to see that it is current for this year. Please do not feel insulted if this happens. With close to 700 members we cannot expect our greeters to recognize each of our members.

Remember also that when you were initiated the instructions you were given stated: "The membership card, which will be presented to you by the Secretary, is a means of identification. It shows you are a member in good standing in this Lodge. You should carry it with you at all times. You are required to present it to gain admission to this Lodge, and without it you cannot gain admission to another Lodge".

Thank you for helping us to meet this requirement.

## From the Secretary

### From the Secretary – Bob Oles

It is great to see that PDDGER Dave Provan was appointed by the Past Grand Exalted Rulers to be District Leader for our Northeast District. I know Dave will do a great job as District Leader for our Northeast District.

I attended the California-Hawaii Elks State Convention held in San Diego last May and attended all the Secretary meetings that were held. They went over the secretary duties and the new laws that are now in effect and the ones that are going to be. Now all Elk Bar Tenders must take a (LEAD) Licensee Education on Alcohol and Drugs, Alcohol Seller/Server Training Program course and after they get their certificate of completion they must give a copy of their certificate to be filed to the Lodge secretary.

If you have a change of address or need to order a name badge, we have order forms in the office or at the bar. Please remember to print legibly so that the correct information gets to the Secretary and if you lose your key card or badge there is a \$10 charge to replace it.

As always, if you want to reach me please email [rfoles@sbcglobal.net](mailto:rfoles@sbcglobal.net) or phone 916.798.6591.

**From the Station of the  
Leading Knight –

July already! Time to make progress on my most important duties, Piggy Bank Chairman. Our State Major Project is an example of ELKS finest work. I had the privilege to meet our 2018 Theme Child John and his family, I will include our CHEMPI therapists as well because to witness the interaction between John, his family, and our CHEMPI staff confirms our best efforts for the Piggy Bank are well directed.

Our 2017-18 contributions of \$17,060 was a respectable effort, yet not our best, let's all try to get back to our best. I have set a personal goal for myself and will soon work with our whole team and set goals for the 2018-19 Lodge year and post the results in the bulletin to chart the progress. Just a reminder please be sure to put your name on or in the piggy bank and your membership card would be helpful, please, please don't be anonymous, the money goes to the same cause it is your recognition and our personal thanks to you that is lost. Another means to contribute is via the CHEA website <https://chea-elks.org/> look for the Purple Pig logo on the left-hand side, click donation, with a debit/credit card your name, Lodge & membership number, the easy way. Again, for all you have done and all you will do.

Finally, enjoy your July and our nations birthday, enjoy your summer. and join us at the Lodge when you can.

Finally, questions or comments call 530-906-4765 or email [Harlan@hemoore.com](mailto:Harlan@hemoore.com)

# Elk of the Month

## Dennis Koehn

My pick for Elk of the month for July is a person that is active in many aspects of the Lodge- Dennis Koehn. Dennis is in his 4th year as Trustee at the Lodge; he is one of the Directors of our Building Hall Committee; and, Dennis has done an outstanding job as our Drug Awareness Chairman. Last year he coordinated bringing in a speaker from the Elks National Foundation to speak at several of our local schools. This was considered such a great success by the schools they requested that he set it up again this year. This is a major step forward in getting the Elks involved in our community. Dennis took the initiative to get the Auburn Elks Lodge into the Auburn Chamber of commerce - again recognition of our Lodge in the Auburn community. He is Chair of our Government relations committee and has also chaired the Public Relations Committee (because of his added responsibility with the Building Hall Committee this year we are actively looking for someone to take over the Public Relations responsibility). He is also active in the Auburn Elks RV club and continues to serve on one of our Taco teams.

Please join me in thanking Dennis for all the ways that he contributes to keeping our Lodge running.

## Lodge Cleanup Reminder

Please remember Lodge Cleanup the 1<sup>st</sup>. Wednesday each month at 9:00 am. The next one is on July 11<sup>th</sup>. Note second Wednesday this month only.

In June, we did some general cleanup inside, outside, vacuumed carpets, cleaned doors and windows inside and out, cleaned and dusted bar area, cleaned downstairs, cleaned lobby, cleaned kitchen, cleaned floor drains, cleaned coffee area, cleaned popcorn machine, cleaned nacho machine, dusted blinds, cleaned and filled salt & pepper shakers, pruned trees down by the street, sprayed weeds, and much, much more.

The Lodge would like to thank the members that worked In June: PER Dick Robart, ER Jack Meylink, Trustee/BHC Dir. Warren Manley, Tom Eastman, Mike Van Hook, Ed Rodriguez, Remy Giannini, Cedric Trujillo, Bill McPeak, Henry Tukloff, Ron Bailey, Harvey Eisley, Rudy Pelzman, Pete Biersteker, Richard Huntley, Mike Slattery and Jim Harris.

Turnout was low - we could always use more help. Please come out and give us a hand next time.

## CHAPLAIN'S CORNER†

**Bill Costa**

I have the honor to be the Chaplain for the year 2018-2019. I want to focus on the Ritual Elks Officers perform during the initiation of new members. The four stations that we exemplify are Charity, Justice, Brotherly Love, and Fidelity. My emphasis this month will be on Charity.

Many times when charity is mentioned in English-language bibles, it refers to "love of God", which is a spiritual love that is extended from God to man and then reflected by man, who is made in the image of God, back to God. God gives man the power to act as God acts (God is love), man then reflects God's power in his own human actions towards others.

According to the Elks National, some of the charities are Scholarships, Hoop Shoots, Drug Awareness, Elks National Foundation, Elks Veterans Service, Community service, State Projects, and Elks Member Services.

In our Lodge in Auburn, all our volunteers working are giving up their time; they are not compensated for their help to make our Lodge welcoming. Even though they do not get paid, they do accept tips.

On your the next visit to the at the Lodge remember our volunteers such as bartenders, improvement funds etc. When you give something, it is a donation to a Charity.

## Lodge Manager

July is a fun month as we are already half way through 2018 and we celebrate our independence. The Elks Lodge will be closed on both July 3<sup>rd</sup> and 4<sup>th</sup> so there is no Tuesday Lunch or Taco Tuesday and no Wednesday Lunch and Pool or Shuffleboard tournaments.

Now for the business part, in July (my birthday month) we will start with the July Birthday Dinner on July 6<sup>th</sup> featuring BBQ Pork Ribs and BBQ Chicken, followed by our monthly Pancake Breakfast on Sunday July 8<sup>th</sup>. On Friday July 20<sup>th</sup> we will be having our Cook Your Own Steak Night and ending the month with our All You Can Eat Pizza and Spaghetti Dinner on July 27<sup>th</sup>.

We welcome Adi as a new member of our kitchen staff so please introduce yourself to her when you get a chance.

Remember every Tuesday except July 3<sup>rd</sup> is Taco Tuesday and every Wednesday except July 4<sup>th</sup> we have the Elks Lunch Menu with Scotts Blue Plate Specials.

## **Veterans Corner**

Welcome to July, nearing the middle of another summer. July 4th is on the first Wednesday of this month. Celebrate this holiday keeping mind what it stands for. The colonists came here to get away from religious persecution. They came to America, to what was to become the melting pot of the world where people came to enjoy freedom from tyranny and other forms of persecution. Rules and guidelines were established with our new form of government. Those same rules apply today though many have been modified and interpreted differently from our founding father's plan. Be that as it may, celebrate July 4th as you see fit remembering that a Veteran died so that you could be you.

If you have reason to go to either of Auburn's cemeteries (old & new), check out the benches that the Lodge had placed in the Veteran's section. They are identical and will stand the test of time.

We have military personnel serving all around this beautiful world. Many of them are in harm's way. Please remember them in your prayers. Don't forget about their families as well. May God bless us all and watch over our families as we journey through life together. God Bless America.

### **RV Club News – Spark, NV Rally**

Well, when you miss a rally, you miss a big fun time. I talked to some of the group that attended the rally in Sparks in May. Except for some "spotty weather", a good time was had by all. Thursday started out with a cocktail hour and good eats provided by the club. I am hearing that kayaking in the nearby lake was a fun time for Gerry and Dennis, while a brisk walk around the lake was undertaken by Bill and Elaine. Oh, those sporty members!

Also, there was golf on the agenda, visit to the car museum, some casino visits and of course good get-togethers. Friday took the group to a dinner at the Sparks Elks Lodge which I was told was a great meal and a VERY hospitable Lodge. Saturday was a gathering at the clubhouse where a birthday party for Ann Council was celebrated. Also, a mini pool tournament was played. No winner was announced. There were meals, a bar at breakfast, and just great fellowship. This makes membership and participation in our Auburn Elks Club an important part of our Lodge membership. The rally partiers all said adios on Monday morning. Big thanks to those who worked on this rally and the attendees! Next Rally will be in July for Clio and August for Truckee. I hear some fun things are planned. Till then . . . safe trips and fun travels ☺

## Flag Donation to Alta Vista School

The Lodge was contacted by Kim Casbeer at Alta Vista Charter School to see if we would donate a 4X6' American Flag to fly outside in front of their school. This request was turned over to Linda Wismar, Americanism Chair. She investigated and got a price and approval from the Trustees. It was presented on the floor of the Lodge and approved. It was then passed to Dick Robart PER to place an order. When it was received Linda was on a trip, so Dick Robart delivered it to the school and presented it to Dr. Camille Taylor, Principal.

## Mother's Day Thank You

Thank You!! Thank you!!! To all the volunteers who helped set up for Mother's Day and the clean-up afterwards. I can't remember everyone's name but you all know who you are. Again, thank you.

Also, thank you to the ladies who keep our chair covers looking so nice for our special events.
