TREATS FOR TROOPS

We received a lovely framed thank you for the boxes of Treats for an Air Force Unit flying missions for the War on Terrorism. The flag in the box flew in the face of the enemy. This thank you is now hung on the wall of the Lodge for all to see. It goes to show that our project of sending Treats to the Troops is very important.

FROM THE EXALTED RULER

Exalted Ruler's Message

On May 18th to the 21st at the State Convention in Anaheim, CA I attended the installation of our new CHEA President Lance Erickson, and the State Officers. I am proud of the performance that our Ritual Team gave at the State Ritual Competition. I want to thank the Ritual Team for the days and hours spent learning the words, movements, and dedication. I also attended many seminars to assist Exalted Rulers on running a Lodge, forming committees, create special events, keeping membership up to date, on which direction the Lodge is headed, and membership growth. Every ER should take advantage of what they can learn at State Convention.

I would like to talk about two volunteer sign ups. 1st Lodge clean-up. If you have never participated on Lodge clean-up you are missing on helping keep our Lodge clean. We start with coffee/tea and donuts at 9:00 am; work for a few hours, meet other members, then a free lunch. It all happens the first Wednesday of the month come and join us.

Thanks to the Monday Crew volunteers that painted the blue and white stripes, and tire blocks on the parking lot. Volunteers are always needed, like Taco Teams, Birthday Dinners, Greeters, holiday special events. Look at the Daily Reminder 2016-2017 [the yellow calendar] the back of the cover see all the Committee Chairpersons ask them if they need help. On the second page you will find event chair persons they also need help. If you do not have a Daily Reminder ask a bartender to give you one it has all the functions from April 2016 to April 2017. I would like to remind Parents and Grandparents that not all kids are cut out to go to college. The Elks have a vocational scholarship for any age that is seldom used. If someone you know that would like to go to a school to learn a trade a vocational scholarship from \$300.00 to \$2000.00 is available by applying on the internet. Also do not forget that you can apply for scholarships even if they live out of state.

On the 4th of July let us celebrate and give thanks to God for the freedom, blessing, and the greatest country in the world.

Exalted Ruler,
Manny Martinez

July Elk of the Month Royce Birks

I have chosen Royce Birks for July Elk of the Month. As a new member Royce started immediately volunteering any place she was needed. Then took on Sweetheart Ball Chairperson with great success, was member of House Committee for one year, sits as the 5th Trustee now, and last May was Mother's Day Brunch Chairperson, and those of you that attended the brunch know the effort she made to make sure all Mothers had a wonderful Mother's Day. When you see Royce please say thanks for her help, and dedication to this Lodge.

Exalted Ruler,
Manny Martinez

First thing I wish Northeast District Deputy Grand Exalted Ruler Dave Provan a speedy recovery after having a four way bypass operation.

Rudy Pelzman had 29 from our Lodge travel to Reno, Nevada, and put on a great meal and visited with the veterans in the Reno Veterans Hospital.

Lapsation chairman Wil Thomas is doing a great job in getting in contact with the members that have not paid their dues for the 2016 - 2017 year and letting them know that they are delinquent.

Please let me know how you want your Lodge bulletin sent to you, either by email or hard copy, and make sure I have your right address and also email address, along with your membership number and signature. If you are a widow I will need you to tell me how you want your bulletin sent, along with your signature.

From the Desk of the Esteemed Leading Knight

I just came back from a fabulous 10-day tour of southern Ireland. Notwithstanding the amazing greenery and topography of the land, I was so totally impressed with the Irish people and the pride and knowledge of their country and its history, their friendly nurturing personality and the amazing tenacity of their spirit. Since the 1922 Independence from Great Britain and the more recent treaty in the 1980s between the Northern and Southern factions of the country, the proud people of the Irish Free State have worked together to create a stable, profitable and desirable place to visit and live.

I see a direct correlation between the Irish Free State and the Auburn Elks Lodge. We, as a membership need to be working together to contribute to the health of the Lodge, the community and the members. We all had our reasons for joining this Society. We must keep in mind the basic reason that this organization has been formed...to help the less fortunate families of children and our veterans. We love our dances, Taco Tuesdays, our RV Club trips, and birthday dinners with the sumptuous meals provided by our talented Chef, etc., but we must keep in mind that we still need to contribute our time, money and ideas to the basic pledge that we all took upon our initiation to the Benevolent and Protective Order of Elks. This is not just a title of a club. It is a statement of our commitment and pride to an historic organization.

Veterans Corner

Thank you, thank you, thank you. My heartfelt appreciation goes out to all those who accompanied me on our annual trip to the Reno Veterans Hospital for their BBQ luncheon. We had a total of 30 people from our Lodge who prepared and served a great BBQ lunch of hamburgers and polish sausages (a patient favorite) along with all the trimmings. Before lunch we were handing out candy to those who could have chocolate. Everyone went away with a tummy full of good food; a meal that they are not provided at the hospital due to the dietary concerns they have. The hospital allows for exceptions with our meals, so we gladly accommodate our Veterans there. Our group engaged in conversations with the patients, not only in the dining area, but also in their rooms, as some have difficulties moving about. We served lunch to about 60 patients in the center, and about 14 hospitalized in the hospice care unit. After all the housed patients were fed, we went about providing lunch to the staff who were available. When time allowed all the volunteers enjoyed their meal. As always the appreciation of our efforts was expressed. We put a smile on a lot of faces last Monday, June 6, 2016. All are looking forward to our return next year. As I spoke with many of the patients there I told each one that I was looking forward to seeing them again next year about this time, knowing full well that many won't be with us that long. We all did our best to make them comfortable with our food and cheer. The leftover food, as usual, is taken across the street to the resident guest house where family members stay when visiting their Veteran living in the hospital. The manager there was very appreciative of our donations as it always saves the families some money with their food costs. We make a lot of people happy when we make this trip to Reno. The exception with the extra food is the soda pop. I always buy extra and it stays with the unit at my request. Reason being is that there are a couple of soda pop machines available to the patients, but they come with a cost. The unit supervisor always thanks us for leaving the soda as there was about enough for each patient in the unit to have a couple cans. Money is something that many of the patients do not have much of.

We had some new volunteers this year. I had one couple tell me that they will return with us every year from now on. I appreciate that. Along with the lunch we brought to the hospital many boxes of books, toiletries, socks, and other personal affects that the patients would enjoy. One of our members made about two dozen lap afghans. When we turned all our donations into the appropriate office, the manager there looked at everything with a big smile and then referred to a nationally recognized chart that reflected our donations having a value of close to \$2,000. Way to go Elks Lodge 1691.

It is a privilege to share with you the names of those who participated in this event in Reno. They are: Chris & Manny Martinez, ER; Chuck & Trish Cramer; Bill & Joyce Costa; Royce & John Birks; Gene & Ginger Henggeler; Gary & JoAnn Dusky; Rich & Ellie Neal; Dempsey & Judi Billey; Jim & Vicki Harris; Rex & Maralee Gouldthread; Gary & Renee Alenza; Yvonne Edwards; Niel Bielski, Dennis Koehn; David Kalian; Bob Olds, and my wife, Patty Pelzman. Sure hope I didn't forget anyone.

Wreaths Across America is a fund raiser for our Lodge. Each wreath purchased will be placed on the grave of a Veteran at the Auburn Cemetery this coming December. The cost of a wreath is a mere \$15 with \$5.00 of that coming back to the Lodge. Let's get a head start on this wonderful Veteran program. Brochures can be found at the Lodge.

Remember, our "Treats for Troops" is alive and very active. Elaine Jenanyan is always looking for financial donations and goodies to send to our troops in harm's way. Do you know of anyone serving presently in the Middle East? If so, please contact Elaine at the Lodge. She would be honored to send that individual a package filled with goodies.

Coming up next month is the 4th of July. Celebrate it in a safe and sane manner. We live in the foothills and the area is filled with trees that easily catch fire.

August 8, 2016, the District will be holding its annual BBQ event at the Reno VA hospital. Our members are invited to participate.

Remember to keep in mind our military serving in harm's way in the Middle East. Say a prayer for them that they will return home safely. Their family members here should also be tucked into your prayers. May God bless us all and keep us safe.

John N. Dacosta born April 7, 1929 in Sacramento California passed away on March 9, 2016. He was initiated into the B.P.O.E. Elks by Auburn Lodge #1691 on March 22, 1978.

Sickness and Distress

CHAPLAIN'S CORNER†

Heavenly Father as we prepare for the 4th of July Uncle Sam is every Elks relative! He is our favorite relative and a figure of admiration or hate for most of the world. Uncle Sam has been around for a long time - since 1852. We seem to be the only country whose national popular symbol is everybody's relative. Father in Heaven that says something good for Uncle Sam and his nephews and nieces. Thus, we Elks are in a very real nuance, everybody's relative.

Now let us continue to be good ELKS - proud AMERICANS.

Amen.

Chaplain

WREATHS ACROSS AMERICA National Wreaths across America Day

December 17, 2016

It's never too soon to start thinking about honoring those who served to keep our country free by sponsoring a Balsam Wreath. We have 2,146 veterans in our two cemeteries. Last year WAA (Wreaths across America) sold 647 wreaths. Let's make a goal for 2016 to get a wreath for each veteran. In addition, this is a fundraiser and a percentage of the cost of each wreath is returned to our lodge.

Order forms are in the Lodge foyer or call Paula @ (530) 885-1428.

Placer High School Sober Grad Night Party

Saturday, May 28, at 9:30pm four courageous Elks members began their night of observing and interacting with the 240 graduating seniors from Placer High School who were attending their Sober Grad Night Party at the ARD swimming center and auditorium. The four hearty souls were Exalted Ruler Manny Martinez, Rudy Pelzman, Rick Sutherland, and Dolores Lehman. This year's bunch of kids were well mannered and respectful. There was no horse play, just playful banter poolside. Only one bottle of alcohol, a 1.75 liter bottle of vodka, was confiscated. The bottle was half empty and the two offending students were spoken to and that ended the incident. We also found a six pack of empty beer cans, but that is to be expected. After that, all was well. Throughout the evening we all would venture through the auditorium and pick up a bite to eat to help keep us awake. Soda pop and coffee was consumed as well. Food and beverages were constantly being put out for the kids to consume. At 3:30am the kids were all inside and ready to watch a Will Farrell movie. That was our cue that it was time for us to head home after a successful evening. I would like to thank the three people who helped me throughout the evening. Everything went smoothly and on some level even a bit boring. That was good. Thanx again and hopefully I'll see ya'll next year.

Rudy Pelzman
