Happy 4th of July!

My lovely wife Joyce and I attended the State Convention in Fresno, CA. The Purple Pig contribution to the California Hawaii Elks exceeded more than \$4.5 million, with over \$7,000 from our Auburn, CA Lodge. I had the honor of presenting our Lodges share at the State Convention.

The house committee is working on a few menu changes and offering meals to go. One is the Grab and Go meals for those in a hurry and unable to come inside.

The Lodge is still in need of officers. PER Bob Souza has filled the chair for the Leading Knight. However, the chair of the Loyal Knight is vacant and needs to be filled. The duties of that chair are not difficult and involve attending regular meetings, and we can help make it happen.

We are also in need of bartenders. The candidates have to pass a state test to serve alcohol. The test is called Responsible Beverage Service (RBS) Certification Training. The test is offered online for a small fee and must be acquired before serving alcohol. If anyone has questions regarding the RBS, please contact me or a committee chairperson for clarification.

If any members think they are experiencing health issues, please stay home rather than possibly exposing another member. It is your responsibility. So far, we haven't had major events where we had to close the Lodge. When we do have to close, we are affecting all our members.

From the House

Here we are in July. Our secretary has had a chance to update our records to make sure the roster is correct. On that note, please make sure if you come to the Lodge, you have your membership card and are ready to show it. At your initiation into the order, you were advised "to carry it with you at all times" This was not a suggestion. Because we are a private club, we require you to have it and your access card to gain admission to the Lodge. There are signs on the Lodge door advising you of the required practice. Do your part and follow this request. As we continue to be short volunteers, it is not fair that the cashier should have to stop doing their job to come and do yours.

The House Committee is continuing to work on events for the Lodge. If you have an idea for an event, please contact me and let me know. We have a new cashier system coming soon to the Lodge. It will surely be an upgrade from what we currently have.

Take care,
Kathy

From the Desk of the Secretary – Bill Chelonis

Some interesting things in the Grand Lodge (GL) Statues dealing with new Applications for Membership. In Section 14, an application for membership may be withdrawn by the proposer in open Lodge at any time prior to balloting on that individual. However, in another Section of 14, it states: after a favorable ballot on an application for membership and before initiation, if a member declares in open Lodge that a candidate is unworthy to be a member stating grounds to support such declaration and they appear true a new ballot will be considered on this application by a motion made on the floor of the Lodge. If a 2/3 vote cast is favorable, the election shall stand confirmed.

You will also notice that the monthly bulletins will start showing these new applications. If any member knows a reason for rejecting an application, they should come to the meeting and state so.

As always if you need to get a hold of me call my cell phone (530-570-8896) or email me b.chelonis@att.net and I will be more than happy to assist you.

Fraternally Yours
Bill Chelonis PDDGER,
Lodge Secretary

With all the membership badges that have been printed and in the Secretaries office the only way to distribute them properly is to inform the membership what badges I/we have. If you then request a badge after that date, I will charge you \$10/badge. Now if your NAME IS NOT ON THIS LIST and you wish a badge you will not be charged a fee and I will try and process them as fast as I can. Please email, call, or leave me a note if you wish a badge. I'm sorry I have to do it this way, but 2 months should be plenty of time to get you badge(s).

From the desk of the Trustee Chairman-Jimmy Mullenix

Greetings to All, and welcome to Summer at our Lodge. I will do my best to communicate monthly with the membership via The Bulletin to keep you apprised of the Trustee's work.

We have a somewhat New Group this year, and I want to introduce you to them:
 5th year Trustee – Kathy Maderios
 4th year Trustee – Gary Cupler
 3rd year Trustee – Jimmy Mullenix Chairman
 2nd year Trustee – Pat Hall
 1st year Trustee – Jack Meylink

At the end of the year, #5 will retire their position, and a 1st year Trustee will be appointed. If you are interested in learning the Business Workings of our Lodge and have a say in the direction of our Lodge, please have your name considered.

Every year on April 1st, new officers hopefully will take their seats in a timely manner. At this writing, I understand we still have a Knights Chair open. We also have a new Secretary. As everyone settles in, please be patient and understand we are doing our best to provide a Pleasant Lodge Experience.

In the recent past, we have had an issue with mail and invoice flow to get bills paid. The Trustees, House Committee, Secretary, and Treasurer have been working to rectify this issue. I am pleased to say that issue is just about resolved.

So that you understand, The Trustees and The House Committee are two separate units. But we work together a lot. And most of the time, we attend each other's meetings just to keep a finger on the Pulse of Our Lodge. Sometimes, either will call an Executive Session, and only committee members can attend. With that said, any card-holding Elk can attend either of these committee meetings mentioned in the Bulletin and on the E-Blast.

I think this is enough information for now. I wanted to get this started by letting you know some of the workings of The Lodge that come about behind the scenes. If you have any questions or concerns, feel free to approach me or any of my colleagues, and we will do our best to help you. Thank You for being a Member of Our Lodge and Thank You for supporting Auburn Elks Lodge #1691.

Leading Knight's Corner

Hello Members. Happy July 4th. This is the month that we celebrate the birth of our Nation. Last month we Honored our Nation's Flag that was created during the revolution. As Elk's, "We have adopted it as the Cardinal Principle of our Order and it's Motto is Charity." Last month I talked about the Major Project. Our other charity is the Elks National Foundation This us an unique Foundation where none of the principal money is spent The interest that is earned by this principal money is used to fund all the different programs sponsored by the Grand Lodge such as Senior Scholarships, Drug Awareness Program, Hoop Shoot contest and many others I encourage all members and spouses to participate in this program To join the ENF all you need to do is sign up for a commitment of \$10.00 a year for ten years. Sharon Bettencourt is our Lodge Chairperson. Sharon will be glad to answer any questions you may have and give you the necessary forms to join. Have a Happy and Joyful 4th.

Fraternally:
Bob Souza, Leading Knight

Auburn Building Hall Co, Inc. Jimmy Mullenix President/CEO

Greetings to All,

With the beginning of the 2nd quarter of our Elks Year, I wanted to take a moment to explain the workings and accomplishments of the ABHC, Inc.

At the beginning of our Elks Year, the ABHC, Inc. nominated and elected the board for the upcoming year. I want to introduce you to them now:

Jimmy Mullenix President/CEO

Kathy Maderios Vice President

Warren Manley Secretary

Jack Meylink Treasurer

Directors; Michael Bieliski, Craig Colum, Terry Houk

We had a bit of a shaky beginning this year with our rentals as we slowly ended up with three vacancies. The bright side was it gave us the opportunity to paint inside and out, replace carpet, make kitchen and bathroom upgrades, and bring the rent prices in line with market value which hadn't been done in quite a while. With that said, we began the process of raising the rent on the remaining three at a rate approved by the State of California. That will continue until those three also meet market value.

This past year we replaced #5 HVAC Unit on the Lodge, did some extensive repairs and resurfacing to our parking lot, replaced the shade structure on the patio, and did some landscaping at the bottom of the NW Parking Lot. I'm not sure if you've noticed, but we had Cal Trans clear all the overgrown brush in front of the Sound Wall on the West side of our Lodge. Not only was it a Fire Hazard, but it blocked our beautiful mural. Today, 6-10-22, we had the "out of operation for 10 months" #2 HVAC unit repaired.

I'm pleased to report the Lodge is very comfortable inside. I'm sure I have missed some stuff, but you can get an idea of how busy we've been.

Our near future projects will include:

- Replacing the gutters and downspouts on the front of the Lodge.
- Painting the entire Lodge.
- Probably trimming some trees.

If you members see something outside the Lodge that needs attention, contact me or any of our Board Members. The ABHC, Inc. office is in the foyer next to the shuffleboard room. We will soon have a mail drop installed on the door to receive any communications.

On a last note, every Monday morning a group of members meet at the Lodge at 8 am for 2 hours of inside maintenance. Kitchen, lights, loose screws, broken or needing to be replaced equipment, and sometimes outside vegetation trimming and blowing. This crew has been doing this for several years and could use more help. Hats off to Mike, whom I met at the June Birthday Dinner, a rather New Member who showed up on 6-6 to help. Thank You, Mike. I wasn't there as I was attending to a rental issue. Oh yes, of course there are Coffee and Donuts.

I want to thank my fellow Board Members for giving me the opportunity to serve in this capacity as the ABHC, Inc. is very dear to me. I look forward to performing my tasks for the next year and may we all move forward and prosper.

Jimmy Mullenix
ABHC, Inc. President/CEO

Veterans Corner

July is always a wonderful month for us all. It tells everyone that summer is now in full swing, and we should enjoy the season. With that comes July 4, the day we celebrate our national independence. Indulge yourselves with an American BBQ along with a cold brewski and all the trimmings.

Last month we celebrated Flag Day (June 14) on Sunday, June 12. Right after the monthly breakfast, the Flag Day ceremony commenced. It was a beautiful sight witnessed by a nice and receptive crowd. Our Officers and others holding flags performed the ritual. The history of our flag was shared with the attendees. After this part of the ceremony, the Auburn Area Honor Guard performed the flag folding ceremony, followed by Taps. With each fold of the flag, there was a description of what it meant. For those who missed this annual ritual, you might consider attending sometime in the future. Flag Day is a celebration for all to enjoy and participate in. Let me know if you would like to participate and hold a flag.

On another note, the annual BBQ (August 1, 2022) held at the Reno VA Hospital for our Northeast District has been canceled due to Covid restrictions. I had been hoping that we could have gone forward with the BBQ until early June when the hospital informed me that this activity was canceled. I will reschedule the Lodge's BBQ and the Northeast District BBQ for early next year. I will be thinking positively until then. Say a prayer. Remember, the federal government's rules (specifically, the Veterans Administration) may differ from what we adhere to in the civilian world.

Another project this committee is working on is the \$50 food vouchers for homeless Veterans. We did this earlier this year, and the Placer County Veterans Service Office distributed them and presently has a few of these certificates left. We want to continue this endeavor for the sake of our homeless Veterans in the area.

On the lighter side of life, it should be noted. Contrary to popular belief, it wasn't an apple on a tree that got us banished from paradise. It was the apple on the ground. Here's another one. The best way to get your husband to do something is to suggest he's too old to do it.

We continue to have service men and women in remote parts of this world performing their duties and responsibilities, protecting certain people from religious and/or political zealots who want to destroy their lifestyle. Pray for the safe return of all our service members. At the same time, say a prayer for your family and friends, especially those with life-altering maladies. God Bless America.
